Summer Camps for Preschool
and School Age up to 12 years

OAK CAMPS

Spanish

Week 1: June 13-17 Week 2: June 20-24

Hola! Come join the excitement as we explore a cross-curriculum of language, music, art, and geography of the Spanish speaking world. Learn at your own pace and progress at your own rate. Participate in the many hands-on Spanish activities. Rosetta Stone computer program is available to children who can read. This class is fun because we follow your lead, capability and enthusiasm.

Sculpture

Week 3: June 27-Jul 1 and Week 4: July 5-8

For the creative and innovative! Discover the world of three-dimensional art forms and explore techniques, materials and methods of sculptural design. Enjoy the opportunity to work with various types of clay, paper mache' and get creative with recycled household materials. Work on individual works or collaborate a group project. This is a follow the artist camp. We provide the environment and materials while you provide imagination and creativity!

Fine Art

Week 5: Jul 11-15 and Week 6: July 18-22

The world is a canvas! Join us as we learn about great artists from the past and explore a variety of techniques using color, light and shading. Practice different strokes and have fun with pointillism. Explore the use of watercolor, acrylics, charcoal, pastel and pencil sketching. Tap into your inner talents as you create original masterpieces of your own. This camp is an Art lovers paradise. Store all collections in your prized portfolio.

Yoga

Week 7: Jul 25-Jul 29
(This week is for School Age)

Looking for stress free relaxation...This is the camp for you! Come develop body awareness, flexibility & coordination. Learn the values to good living...cultural sensitivity, patience, cooperation and tolerance. Learn how to quiet the mind through meditation. Practice yoga postures both indoors and outdoors. Prepare healthy snacks, listen to calming music and read books. Partake in focused activities such as sewing, weaving, painting and clay. Discover the balance between work and play and simply relax.

Fitness

Week 8: Aug 1- 5

(This week is for preschoolers)

Join us for a week of exercise and eating right! We prepare an environment full of fun stations with active play equipment. Play basketball, horse shoes, hopscotch, jump rope and hula hoop. Balance on the sensory walk, improve your long and high jump. Run the obstacle course, practice situps and pushups, even play exercise bingo. Learn tips for good fitness and nutrition practices and make your own delicious snacks each day. Get moving and keep moving!

Creative Writing and Theatre

Week 9: Aug 8-12

Come join us as we turn a clear mind and a blank slate into a wonderful screen play production! Bring your thoughts, creativity and talent with you on Monday. Thought by thought we will write a screen play. Practice by practice we will rehearse the show. Personality by personality we will create costumes and express ourselves. Family and Friends are invited Friday afternoon to view Opening Day!

MAPLE CAMPS

Nature in the Middle of Town

Week 1: June 13-17 and Week 2: : June 20-24

Join us as we explore nature in the shadow of our school. We will take a daily walk in the Baber Cemetery as we explore up close, trees, leaves, animals and more. A fun, relaxing hike in the morning will be followed by plenty of nature activities in the afternoon. Dress for the weather as we explore rain or shine.

Where in the World Are We Today?

Week 3: June 27-Jul 1 Week 4: Jul 5-8

Join us for a mini vacation around the world. We will explore a city, country or region on five different continents. We will explore the geography, history and culture of some very exciting places. Where are we going? Join us to find out!

Music

Week 5: Jul 11-15 Week 6: Jul 18-22

Come listen to the sounds of the Symphony, the Opera and Jazz. Learn about the great composers of the past. Get a vocal and instrumental appreciation of the world of music and sing and dance at will! Identify woodwind, string, percussion and brass instruments. Get a feel for the keyboards, guitar and drums. Share your personality and yourself as you choose your favorite activities. This camp is a follow the child experience. Surprise visit from local musicians are always a treat.

The Wacky World of Science

Week 7: Jul 25-29 Week 8: Aug 1- 5

Join us for a week of wild and wacky science. Come turn glue into gooey gunk, learn how fiber can be used to make slime and make water paints with items from your kitchen. We will use simple everyday ingredients found in most homes to make our wild and wacky concoctions. Please dress for messy work!

Engineering, Design and Technology

Week 9: Aug 8-12

Children start developing engineering skills the first time they stack 2 blocks. In this camp we will teach children to use their creative and critical thinking skills. We will work together as a group to make a large marble race and use a cardboard box to create their own car. How about designing their own toy top or pinwheel? Lots of blocks, Lego's, Lincoln Logs, show boxes and more will make this a whimsically fantastic week!

School Prep

Week 10: Aug 15 -19

Time to get ready for school! Come explore the beautifully rich, Montessori classroom filled with hands- on Practical Life, Sensorial, Math, Language, Science and Culture materials. This carefully prepared environment offers children developmentally appropriate activities for preschool through school age. In the math area, your young child may practice base 10, teen counting and the hundred board, while older children may brush up on multiplication, geometry and algebra. In language, your young child may enjoy the beginning sound drawers and practice writing his/her name while older children write in journals, examine grammar and label parts of speech. Where ever your child is in learning, this camp is sure to offer just what your child needs!

All workshops allow the child to freely explore a Montessori prepared environment. The hands on experiences will tap into you child's senses and store impressions for later retrieve. Your child will take home booklets, portfolios, keepsakes and lasting memories.
